MEMORANDUM ORDER

George Reese Thomas ("Thomas") has filed what he captions as "Defendant's Motion For Pretrial Release," the Judge's Copy of which has been transmitted to this Court's chambers by the Clerk's Office.<sup>1</sup> But Thomas is represented by counsel, so that he cannot present matters pro se, in addition to which he has failed to show service of his motion on government counsel.

Accordingly copies of the motion and of this memorandum order are being transmitted to Thomas' counsel and to Assistant United States Attorney Bolling Haxall, who is assigned to the case. No action can or will be taken by this Court unless and until such relief is sought in the proper manner.

Milton I. Shadur  
Senior United States District Judge

<sup>1</sup> What that copy reveals is that the document was prepared and submitted in some other case, with Thomas having placed a small sticker bearing his name over the name of the defendant in that other case. In addition, the motion bears no signature. As the following text reflects, however, neither of those matters is the reason that the motion cannot be considered.
